## A RECORD OF EXCELLENCE

Concordia University has achieved much notoriety in the field of physical education and athletics, since the merger of the Sir George and Loyola Departments in 1975. And the success is not surprising when one considers that the Stingers evolved from the powerful Georgian and Warrior teams. However, the excellence, now taken for granted on the twin campuses was not always evident.

In 1973 Steve Konchalski (now Assistant Coach for Canada's National Basketball Team) wrote:

"Loyola College was equipped with determination, idealism and a dream when it embarked a decade ago on its 'modern era' of physical education.

The dream belonged to Ed Enos, who had just been appointed Director of Physical Education and Athletics with a mandate to develop one of the nation's best academic-athletic programs. The idealism and determination were two of the qualities Enos brought with him to Loyola.

Much of that 'dream' has turned into reality in the decade since Enos first stepped on to the Loyola Campus. The Athletic Development Program of which he was the architect has reaped an amazing total of 43 championships. The teams that ascended to the pinnacles of collegiate sport have been accorded feature press, radio and television coverage throughout Canada and the Eastern United States.

Over the past decade, in the men's section of the program, the diversified excellence has been unmatched in Canada."

### THE GEORGIANS

While Dr. Enos and his staff were building the Loyola Dynasty (1965-1974), Sir George was battling their arch-rivals tooth and nail. Due to a complete lack of facilities, the Georgians were forced to play in such obscure arenas and gymnasiums as Confederation Arena, Pointe Claire Arena, Paul Sauve, the T.M.R. Arena, Verdun Auditorium, the Forum, Showmart, Mont St. Louis and Westmount High School. However, the Georgians and their fans made up for the lack of facilities.

Besides providing Loyola with its fiercest rivalry, Sir George was also the proving ground for several of Concordia's present staff. Paul Arseneault coached the Georgian hockey team to several league championships until his departure in 1972, when his assistant took over the reins. Athletic Therapist, Gary Cummings, a former Georgian player, got his first professional job at Sir George in 1973 while Mike Hickey played for and coached the highly successful Georgian basketball, prior to the 1975 merger.

MONTREAL WEST BRANCH

## WARRIOR - GEORGIAN HIGHLIGHTS

Consider some of the accomplishments of the two schools during the 'modern era' (1965-1974).

**SOCCER** - Loyola dominated soccer, both on the local and national levels. From 1965 - 74 they were undefeated in league play. Head Coach Harry Hus directed the warriors to a national title in 1973 and the runner-up spot in 1972.

**HOCKEY** - Loyola and Sir George battled annually for league honors giving the old Ontario - St. Lawrence Athletic Association the best one-two punch in the country. Paul Arsenault had won seven titles in nine seasons, at both Sir George and Loyola, while compiling an overall record of 317-136-33. Bob Philip, Arsenault's successor at Sir George led a cinderella Georgian team to the CIAU finals in 1974.

**BASKETBALL** - Doug Daigneault had led the Warriors to six league titles and a 192-86 record over this period. Besides representing Loyola in four National Championships, the Warriors at one time chalked up a record string of 66 consecutive wins in league play. The Sir George Williams team finished second to the Warriors until 1972, when Mike Hickey took over the reins of the Georgians and promptly directed them to two appearances in the CIAU Nationals with such All-Canadians as Tom Brethel, Mike Moore and Zan Pelzer.

**FOOTBALL** - The Warriors have fielded winning teams on the grid-iron including league titles in 1968 and 1972, as well as an appearance in the 1972 Prairie Bowl.

On the women's side of the athletic program, Loyola, in 1965 was not a big winner. However, by 1974 women's sport at Loyola had come of age and the Tommies were taking titles to match their traditionally strong male counterparts.

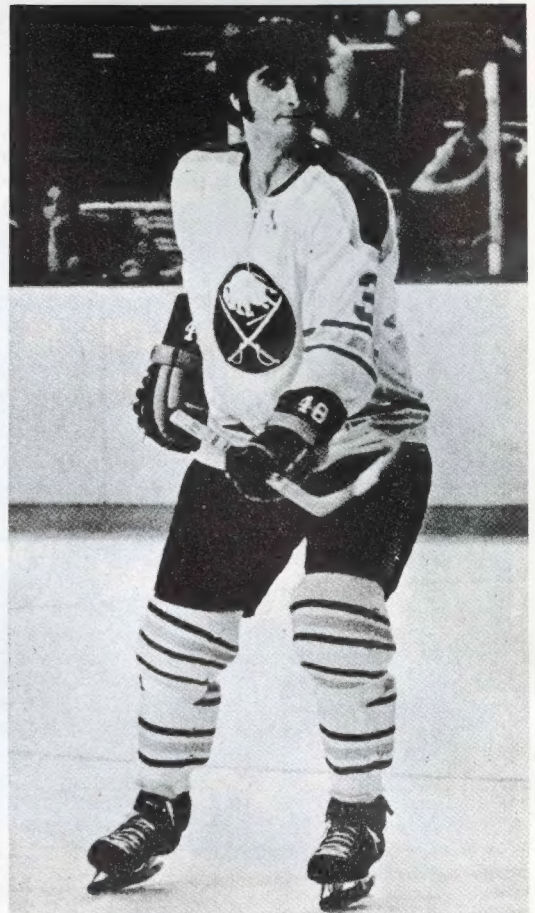

**THE MERGER** - When Loyola and Sir George merged, the difficult task of unifying the staffs and players of the two fierce athletic rivals was given to Dr. Ed Enos in 1975. Budgets had to be slashed. Staff and program changes had to be made, but no one can deny the unqualified success of the Concordia Athletic merger.

In three years, the Concordia Stingers have started to leave their own mark in Canadian Intercollegiate history.

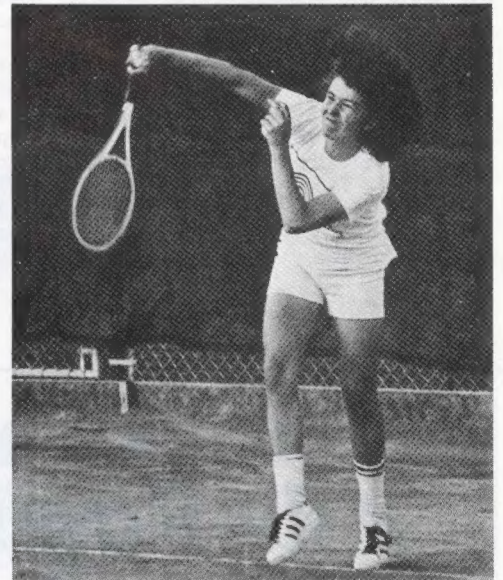

THE STINGERS .....

- The Soccer team captured the coveted CIAU National Championship in 1976 and finished second the other two years.

- The Hockey team set a CIAU record for the most victories in a season 43 in 1975-76) and advanced to the CIAU Nationals each year. Coach Arsenault reached a personal milestone last year, when he recorded his 300th collegiate win.

LARRY CARRIERE  
VETERAN N.H.L. PLAYER

FOUR CONSECUTIVE YEARS

*Avec les hommages de*  
*With the compliments of*

GRAY ROCKS INN, LIMITED (819) 425-2771  
MONT TREMBLANT (514) 430-4441  
B. 1000, ST. JOVITE, QUEBEC, CANADA, J0T 2H0

- The Basketball team continued as one of the top teams in the country, winning the QUAA championships in 1975 and producing a pair of All-Canadians in Ron Puskarich and Jim Akin.

- The Women's Basketball team compiled a 33-3 record in 1976, finishing third in the Nationals, the highest-ever finish for a Quebec school under the direction of Mike Hickey.

The Intramural programs and facilities were expanded and upgraded on the Sir George and Loyola campuses. Participation statistics in both locations have reached a new high with Bob Philip co-ordinating a comprehensive university-wide intramural program and George Short managing the facilities.

Also, the Athletic Department has been a major contributor to the development of one of Concordia's top academic areas: The Department of Bio-Physical Education. From a one program option, Bio-P.E. has expanded tenfold. At present, the Department of Bio-P.E. offers a B.Sc. specialization, a major program, a major with a Bio-Chemistry component, a graduate diploma in Sports Administration, graduate courses in comparative physical education, a minor in athletic training, courses in health, early childhood education, recreation and leisure studies. The Bio-P.E. curriculum, which was developed by Athletic Director, Dr. Ed Enos, has won the national and international acclaim of government officials, school administrators, physicians, professors and others involved in the advancement of the science of physical activity and sport.

For the 1978-79 school year changes in staff have occurred; programs have been modified; budgets have been restricted. However, if history is any indicator, one can rest assured that Concordia University's intramurals and intercollegiate programs will again be rated among the best in all of Canada.

## There'll never be another Vice President like Richard.

Never.

The President made that promise to himself last Thursday afternoon, after Richard blew an important new-business presentation.

Richard isn't incompetent. The villain is his lunches, or rather the too-many drinks he often has at lunch. Come afternoon, he's just not as sharp as he was in the morning.

Richard is playing dice with his health. His old-fashioned business style is also sabotaging

his career. Today, with competition so rough and stakes so high, even the most generous company can't be patient for long with an employee whose effectiveness ends at noon.

If you're a friend, do Richard a favour by reminding him of the good sense of moderation.

You can bet the man eyeing his job won't help him.

**Seagram**

# STINGER FOOTBALL

The 1978 Football season will be a rebuilding venture for the Concordia University Varsity team, with a new coaching staff headed by Skip Rochette and several promising rookies. Rochette expects 10 to 15 lettermen to return from last year's team, and Stinger fans can expect to see a lot of new faces in the line-up when Concordia opens the 1978 Ontario Quebec Intercollegiate Football Conference schedule against the Ottawa Gee-Gees, on Saturday, September 9th at the Concordia Stadium.

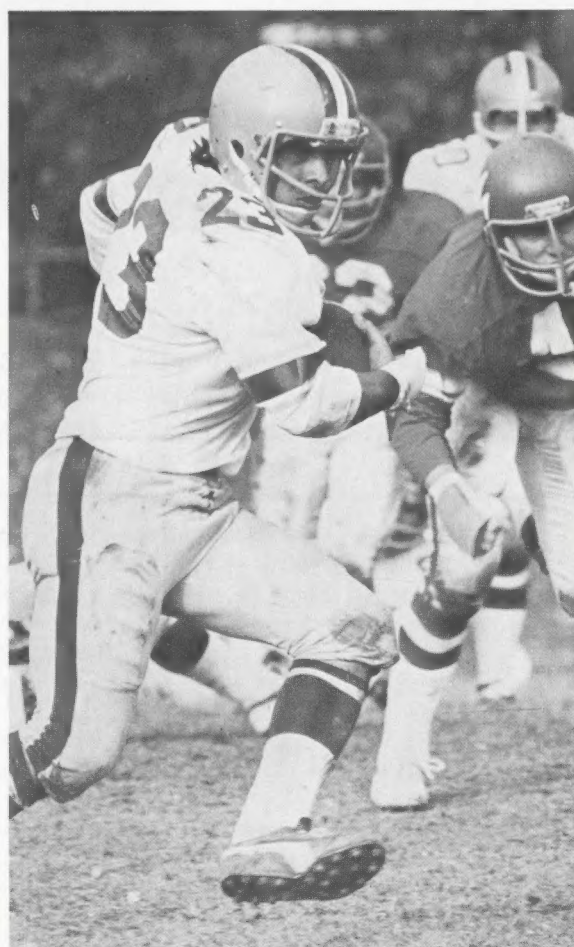

Coach Rochette, a native of Pointe Claire, has enjoyed great success in the coaching field, having coached Pierrefonds Comprehensive High School to Provincial Championships in 1975 and 1976, and serving as offensive co-ordinator for the University of New Brunswick last season.

Rochette has named six assistants for the 1978 campaign. Brian Acton, former head coach of the Verdun Maple Leafs will co-ordinate the Stingers defense, while Bob Hurtubise, who coached with Rochette at Pierrefonds will handle the linebackers. Wally Highsmith, a C.F.L. All-Star with the Montreal Alouettes, will work with the linemen, along with Jim Aiken. Two coaches returning from last year's staff will round out Rochette's brain trust; Tony Pugliese will direct the specialty teams, as well as offensive backs, while Mike Groper will again coach the receivers.

In analyzing the coming season, the rookie coach has indicated that it will be a learning year in which he and his staff will attempt to build a strong nucleus. "It is really hard to make any predictions about the 1978 season since I am not familiar with the O-QIFC, and we will have a lot of first year players in starting roles," Rochette stated. "Every position on the club is wide open" he added, "the best players in training camp will be those chosen for the team. We will make mistakes, but they will be learning mistakes. I will say one thing, however, we will not be embarrassed."

Rochette plans to have a Montreal based team, concentrating on the local CEGEPS and the Verdun Maple Leafs. He feels that the Montreal area has developed excellent players and the ultimate success of the Concordia gridgers will rest with local talent.

While the Stingers are definitely in the midst of a rebuilding era, Coach Rochette will be counting on the experience of several returning veterans from last year's squad, including co-captains Pat Sheehan and Rei Vandenbosch, Fran Togneri, John Hoffman and Guy Schiavo, Mike Storey and Mario Spina.

*The returning running-back, Mario Spina should bolster the Stingers offense. Mario missed the entire season last year, after suffering a separated shoulder in September.*

## 1978 FOOTBALL SCHEDULE

The Concordia Stingers Football team will open the 1978 season with the second annual Jamboree at Molson Stadium, Sunday, September 3rd. The Jamboree consists of 10 minute scrimmages against other O-QIFC Eastern teams. Just six days later the Stingers will play their first regular league game as they host the Ottawa Gee-Gees on Saturday, September 9th, at the Concordia Stadium. The opener will be preceded by the second annual Concordia Open Run.

The following week Coach Rochette's crew will meet the McGill Redmen in the annual Shaughnessy Cup. The Redmen humiliated Concordia 51-6 in last year's contest and the Stingers will be looking for revenge.

The Stingers then hit the road for games against the Queen's Gaels, the Carleton Ravens and the Bishop's Gaiters. They return home for the final regular season game against the U.Q.T.R. Patriotes on October 21st.

All home games are played at the Concordia Stadium at 7200 Sherbrooke Street, West. Game time is 2 p.m., so COME OUT and support the new-look gridders.

New Stinger Football Coach Skip Rochette, contemplates on his rookie season as Head Coach of the Concordia Football Team.

Sun. Sept. 3	Jamboree at Molson Stadium	12:00 p.m.
Sat. Sept. 9	Ottawa at Concordia	2:00 p.m.
Sat. Sept. 16	McGill at Concordia	2:00 p.m.
Sat. Sept. 23	Concordia at Queens	2:00 p.m.
Sat. Sept. 30	Concordia at Carleton	2:00 p.m.
Sat. Oct. 14	Concordia at Bishop's	2:00 p.m.
Sat. Oct. 21	U.O.T.R. at Concordia	2:00 p.m.

All home games are played at Concordia Athletic Field

Stinger fans will miss slotback Mike Hume (10), the school's Athlete of the Year, an O-JIFC All-Star and a draft pick of the C.F.L.'s Saskatchewan Roughriders.

CONCORDIA COACHING STAFF

# GET LACED QUICKER.

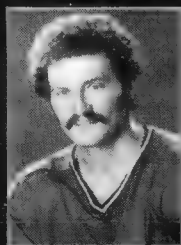

Introducing the Micron Magnum hockey skate, Micron's ultimate expression of innovative skate design and technology. Micron's mighty Magnum makes eyelet lacing obsolete. It's unique lacing posts, an integral part of the molded boot, are super strong. In just seconds, you've completed the circuit, with a tension control unequalled in the conventional eyelet systems you've used up until now. The Magnum lacing system

is going to mean a lot to you. And it's going to mean a lot more to a kid who can't get enough time on the ice. That's why Micron's scaled down the Magnum to the Magnum Junior, in boys' sizes 3 to 6. Both models feature Micron's two-piece polyurethane outer boot and removable foam-cell inner boot, that puts the give on the inside, the take on the outside.

Micron's exciting Magnum. It's the hottest thing going on the lacing circuit.

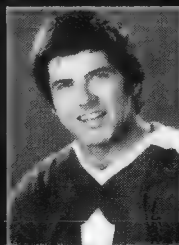

**The best you can buy. Period.**

Larry Robinson

Scotty Bowman

Ian Turnbull

# STINGER O C C E R

When the Concordia varsity soccer team opens training camp in early September, Coach Harry Hus' booters will be preparing for another banner year. Hus-coached teams at Loyola/Concordia have gone undefeated in league play since 1971, Harry's first year as head coach of the then Loyola Warriors. In addition, he has guided his teams to the finals of the Canadian Intercollegiate Athletic Union championships in each of the seven seasons, winning the National title in 1973 and 1976.

There should be added incentive for the Stingers this season, since they will host the C.I.A.U. championships at the Claude Robillard Centre on November 10, 11, and 12. Hus feels the playoff experience of the returning veterans combined with some promising rookies will once again give Concordia a championship calibre squad.

Returnees include goalies George Bselis and Terry Scullion, Francisco Campo, Joe Dakkak, Gareth Jones, Euripides Koronis, Abtar Singh, Carl Dragouin, Michel Gendron and Paul McGuire. Campo was selected as the team's Most Valuable Player, while Bselis was named the squad's "Rookie of the Year".

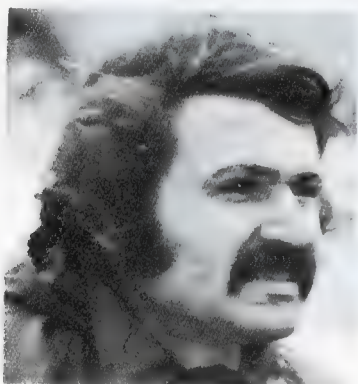

## THE STAFF

HARRY HUS ... Coach ... Harry has amassed an outstanding coaching record in the seven years he has been head coach at Concordia/Loyola. Harry's overall record for that period is 61-4-5, including seven consecutive league titles and two National Championships. Harry started his coaching career at Lachine High School and spent several seasons as junior varsity coach at Loyola College. He took over the reigns of the varsity club in 1971. Hus' accomplishments however have not been restricted to the coaching field. Harry received the "Athlete of the Year" award in 1964, when he captained both the basketball and soccer teams. And Harry has also established himself as one of Canada's top basketball referees, representing the country in several international tournaments.

RUSS BLACKWELL ... Trainer ... has accumulated 20 years of training experience with the Montreal Alouettes, Quebec Rifles, the Montreal Beavers of the Continental Football league, and the Ottawa Roughriders (during pre-season)... served as trainer for the 1977 Canadian Student National Hockey team.

GARY CUMMINGS ... Athletic Therapist ... presently in his sixth year with Concordia University ... Gary's experience includes working with the Montreal Alouettes, Les Quebecois and the 1975 Western Canada Summer Games; also worked as therapist for the 1976 Montreal Olympics.

Harry Hus

## CONCORDIA OPEN RUN

The second annual Concordia Open Run will take place on Saturday, October 21st prior to the Concordia Stingers football team's 1978 finale, against the UQTR Patriotes. The "Open" is a 5.5 mile course from the Hall Building of the Sir George Williams Campus to the football field on the Loyola Campus. Anyone interested in running, jogging or walking, can register at the Athletics office at either Sir George or Loyola.

Last year, the Open's initial run attracted over 60 participants, with Stingers cross-country star, Bruce Roberts capturing the men's division, while Sydney Bennett took top honors for the women.

The Athletic Department has placed emphasis on participation, rather than competition, and has invited any fitness fan to give the run a try.

T-Shirts and Mugs will be awarded to various winners.

Last year's golf team, sparked by the strong play of Newton Walpert, finished second in the Q.U.A.A. Championship tournament held at Milby Golf Club. The Stingers trailing McGill University by 19 strokes after the first day of competition, picked up 18 strokes the second day, to finish just one off the pace, set by the first-place Redmen.

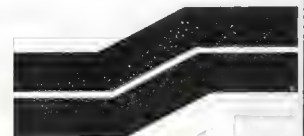

Walpert put together scores of 78 and 79 on the rainy, wind-swept course to finish with a 36 hole total of 157, tied for first place with Michel Couture of Sherbrooke. Newton then captured the individual championship on the first hole of a sudden - death playoff.

Coach Mag Flynn is confident the play of the Stinger swingers will improve this season, as all five members of the 1977 season are returning. The veteran mentor feels that several prospective players may not come out for the team, because they are unaware of its existence. Try-outs for the golf team are in conjunction with the Intramural Tournament to be held in September. See you there!

## WRESTLING DUO CAPTURE MEDALS IN NATIONALS

Gary Kallos and Bruce Decaire, a pair of National team members presently studying at Concordia, captured medals in their respective weight classes at the Canadian Intercollegiate Athletic Union Championships last March. Kallos became the first Concordia student to win a C.I.A.U. National Championship for individual competition when he placed first in the 198 pound division. Decaire took home a silver medal as he finished second in the 158 pound division. Both wrestlers train in Montreal under the watchful eye of Victor Zilberman, Quebec wrestling coach.

*Kallos (L) and Decaire pose prior to their Award winning performance at the C.I.A.U. Nationals*

## STINGER OUTLOOK 78-79

The past two seasons have been rebuilding years for the Stingers, since the 75/76 powerful team that broke school records for most wins in a season (43) and least losses (3) and came within a whisker of winning the Canadian National title.

During that period the Stingers have lost some outstanding individuals, including Glen Tomalty, Randy Mohns and this past year Dave Boyd and Alex Westgate. However, the team has developed some new stars and they seem ready to lead the Stingers in their quest for National honors. Leading the list of lettermen are powerful forwards Randy Borbely, Yvon Disotell, Dwayne Byers, Steve Gibson & Albert Difazio. Along the blueline, the Stingers have three-year veteran Michel Blais, converted forward, Scott Bateman, sophomores Don Harris, Mark Dichter, Mike Slack and Ken McCarthy. In goal the veteran Nick Sanza, recognized as one of Canada's outstanding amateur goaltenders is preparing for another outstanding year.

SANZA

BYERS

### Rookies a Factor

The emergence of several first year players to complement the old guard, will determine the overall quality of this year's squad. Brendan Lowe, a 6'3" defenseman from the Sherbrooke Beavers will be a big factor. High scoring forward, Steve Young, a former Sault St. Marie Grayhound and teammate of Randy Borbely, will surely add to the Stinger offensive attack. Hopefully several defensive minded forwards will emerge from training camp to replace the "Kamakazee Kid", Alex Westgate.

BORBELY

GIBSON

BLAIS

# STINGER

Doug Daigneault is confident that the 1978 - 79 version of the Concordia Stingers varsity basketball team will reap the benefits of last season's rebuilding year. The young Stingers, Daigneault started four freshman in the QUAA playoffs, struggled through a 5-16 season before peaking in the playoffs with upset victories over McGill and Bishop's. And with six freshman returning plus a fine crop of newcomers Daigneault is once again eyeing a National championship bid.

Leon Bynoe was the most impressive of the talented rookies. The Oakwood Collegiate graduate led the QUAA in scoring and rebounding, was a first team league All-Star and was voted the team's Most Valuable Player award by his teammates.

Rich Hagens, a native of New York City, was voted to the Q.U.A.A.'s second squad. Hagens a 6'3" swing man was Concordia's most consistent player last year.

Dan Pavlicik played very well for Coach Daigneault in the second half of the season and in the league playoffs. Pavlicik is an excellent athlete who Daigneault feels will come into his own in the coming season.

Freshman, guard Mark Soule nailed down a starting berth in Concordia's third game and did a commendable job. Soule gained needed experience this past season and should provide the Stingers with on-the-court leadership in 1978-79.

Tim Bush and Paul Martin round out the Freshman returnees. Bush, selected as the team's Most Improved Player for the 77-78 season, displayed a strong inside game for the Stingers. Add to this list some impressive newcomers including local CEGEP players such as Keith Coffin and Peter Fox (Vanier) Harley Lawrence and Eddie Muha (Dawson), Lloyd Bentley (Champlain) and Steve Mann (John Abbott). Rich Davis, a graduate student from the Potsdam State University is expected to provide some inside scoring punch for the Stingers.

## BASKETBALL

## THE COACHES

*Doug Daigneault*

Coach Daigneault has an outstanding record, including seven league titles in 12 years and an unprecedented string of 66 consecutive victories in league play from 1968-72. He has been named "Coach of the Year" three times in the men's intercollegiate division. The former head coach of the varsity football team, is also Assistant Athletic Director at Concordia.

Born in Montreal, Doug grew up in Malone, New York and has been acclaimed as one of the finest all-round athletes ever to be produced in the upper New York State regions.

While attending Clemson University he played in three major bowl games, the Cotton Bowl, Orange Bowl and the Sugar Bowl. Following his college career, Doug played six years of professional football, highlighted by being a member of the 1960 Grey Cup Champions, the Ottawa Roughriders.

*Mike Moore*

Last season marked the first year of coaching for the former All-Canadian and National Basketball Associations' draft pick. Mike joined the Stingers staff in the second semester and was instrumental in the development of Concordia's young forwards. Moore played in famed National Invitational Tournament for Manhattan College in 1974 and was drafted in the seventh round by the New York Knickerbockers in 1973. Mike was a first-team All-Canadian under Mike Hickey in 1975 when he led the Sir George Williams Georgians to a fourth place finish in the CIAU Nationals. He spent three years playing semi-pro in Switzerland, before returning to Montreal.

The Concordia cagers face perhaps the toughest schedule in the school's history. The Stingers will play in four tournaments the Acadian Tip-Off Tournament, the St. Mary's Tournament, the York Tournament and their own Centennial Tournament featuring St. Mary's, York and Wilfrid Laurier. When we consider that St. Mary's is the defending C.I.A.U. National Champion, that Acadia finished second in the Nationals, York was fourth and Wilfrid Laurier seventh, the depth of their schedule is obvious.

Add to this list exhibition contests against Waterloo, Dalhousie, Ottawa, McMaster, Carleton, Guelph, Clarkson, Plattsburg and New York Tech, as well as a league schedule that includes Bishop's, McGill, Laval and U.Q.T.R..

Coach Doug Daigneault's squad opens the regular season with a pair of exhibition games at the Concordia Gymnasium, when they face Ottawa on November 3rd, and Carleton on the 4th. The following week they hit the road for appearances in the Acadia and St. Mary's Tournament, then return to host Guelph and Dalhousie, the weekend of November 17th and 18th.

The Stingers will also play a pair of exhibition road contests against Waterloo and McMaster, before hosting the 12th Annual Centennial Tournament.

The Hoopsters return to action following the Christmas break at the York Tournament, then begin the league schedule on January 12th against the Bishop's Gaiters. Coach Daigneault has assembled a powerful schedule; one that will hopefully prepare the Stingers for the National Championships in March.

# women's athletics **expanding**

Two years ago, the Concordia athletic program did not offer any intercollegiate fall sports for women. In 1977-78 they will have two with the introduction of intercollegiate field hockey. Mo Godbout will pilot the stickwomen in their initial season. Godbout coached the women's hockey squad last year and was an outstanding field hockey player while attending McGill.

The intercollegiate soccer team will be entering its second season. The female booters will play an expanded exhibition schedule this year and eventually hope to join either a city or university league as women's soccer continues to grow in Quebec.

Anyone interested in playing for either the women's field hockey or soccer teams, should contact the Athletic Department in early September.

# STINGER BASKETBALL ♀

The Varsity Women's Basketball team is expected to battle for the Quebec University Athletic Association championship this season, following an off-year in 1977-78.

Coach Hickey's squad suffered through an 8-17 record last year after dominating Quebec the year before, as they posted a 33-4 record and a third place finish in the Canadian Women's Intercollegiate Athletic Union championships. Last year's team was plagued with a lack of women power, high number of graduations and transfers, a knee injury to Debbie Larsen and one of the toughest schedules in the country. And while Coach Hickey admits that the female cagers were overmatched, he feels that they have the talent to win the QUAA and advance to the Nationals in Regina.

The red-headed mentor, who has piloted three teams to the Nationals in five years at Concordia, feels last year's returning veterans, a healthy Debbie Larsen and several new faces will put the Stingers back on top.

Gay Owens, a second team All-Star; Cheryl Petersen, the league's second leading scorer and third in rebounding; Joyce Tarbet, Concordia's Freshman Athlete of the Year; Helen Malcrida and Barb McGuinness return from last year's team. Debbie Larsen, who played in just four exhibition games last season because of a knee injury, has undergone successful surgery and is expected to replace the graduated Paddie Chiara. Chiara, a former basketball M.V.P. and Female Athlete of the Year, was a league All-Star last year as she led the league in rebounding and finished third in scoring.

The new faces include two transfers from Bishop's University, a pair of CEGEP players from Dawson and Champlain Colleges and a graduate student from Montclair State. Linda MacPherson, a league All-Star and former Quebec team player and Inger Breida, a deadly outside shooter, will join the Stingers from last year's QUAA champions, Bishop's Gaiters. Rose Ann Darwint, another former Quebec team guard comes to Concordia via Dawson, while forward Carolyn Zentner will join the Stingers after playing two years at Champlain - St. Lambert.

Concordia's schedule will again be one of the strongest in Canada with appearances in the Bishop's and Southern Connecticut Tournaments, playing exhibition games against Montclair State, John Abbott, as well as a twelve game league schedule and their own Concordia Classic. The Classic, the top women's Basketball Tournament, will include defending Canadian champions, Laurentian Vees; A.U.A.A. champion U.N.B.'s Red Bloomers; Guelph Gryphons; the Ottawa Gee-Gees; Laval Rouge et Or; American power, Southern Connecticut Owls, and Q.U.A.A. champs, Bishop's Gaiters.

And in the end, hopefully, a trip to Regina and another shot at the National title.

# STINGER HOCKEY ♀

Women's hockey at Concordia has a proud part, a part which this year's ice squad would like to emulate. Hockey was the first women's varsity sport on the Loyola Campus when it surfaced in 1966, just three years after the west-end school turned co-ed. Sir George Williams formed a team shortly thereafter and both schools participated in the Quebec University Athletic Association's initial season in 1971.

The Loyola Tommies dominated the Q.U.A.A. during the 1973-74 season, while the Sir George squad experienced problems finding adequate ice time, as well as adequate players. That year Loyola captured the Q.U.A.A. crown, gained national acclaim with appearances on CBC's Hockey Night in Canada and the CBS Saturday Night News. In addition, goalie Janet Norman, appeared in Sports Illustrated's "Faces in the Crowd", after leading the Tommies to a 21-6 season, including nine shutouts and a goals-against average of 1.05.

The Tommies also managed to capture the Montreal Women's Hockey League Championship in 1973 and 1974. The M.W.H.L., founded by Loyola, Sir George and Dawson, replaced the Q.U.A.A. league which folded in 1973.

Since the merger of Loyola/Sir George the new Stingers have failed to capture the M.W.H.L. title. Last year the Stingers, under the capable hands of new Head Coach, Mo Godbout and assistant Billy Baker, finished second to John Abbott in the college division of the M.W.H.L.. With at least nine players returning from last year's team, both Godbout and Baker are optimistic over the team's chances for their first championship in four years.

Terry Kenney and Diana Shannon, who shared the goaltending duties last season, lead the list of returnees. Kenney was selected an All-Star at the Concordia Invitational Tournament, while Shannon was selected as the team's Most Inspirational Player. Other returning players include Francine Daoust, last year's leading scorer, Laurie McKeown, Elaine Colford, Wendy Jamieson, Julie Nicholls, and Sandy and Dorrie Mosel.

Concordia will compliment their M.W.H.L. schedule with exhibition games against American schools, as well as the 12th Annual Concordia Invitational Women's Hockey Tournament, to be held on January 26th and 27th.

# WANTED

## VARSITY WOMEN VOLLEYBALL PLAYERS

Coach Nick Timtsenko and his band of returning spikers are looking for experienced players for the 1978-79 season. While Timtsenko has steadily raised the calibre of the volleyball program over the past few years, he extends his invitation to any female athlete who is willing to work hard to improve.

Coach Timtsenko's squad practices three times a week and has scheduled eight week-end tournaments. While they continue to improve steadily through the years, Timtsenko feels that Concordia is capable of providing a national calibre team.

Come out and give it a try ..... you'll like it.

# COURVOISIER

If we hadn't just won the gold medal for the 6th straight year we wouldn't have been able to run this ad again.

And our ad agency really likes this ad. They think it should also win an award.

They say that it takes just as much talent to turn out a prize winning ad as it does to make a prize winning whisky.

But frankly we'd rather have our vat taster make our ad, than have our ad people make our whisky.

**Schenley OFC The 8-year old that's guaranteed.**
